Dear Ltc. Stulga,

Pursuant to our conversation at the International Affairs Symposium, I have enclosed copies of my office's most recent unclassified publications on terrorism. I will place your name on our distribution list for future unclassified materials. Your comments on the utility of these publications, as well as suggestions regarding our future work in this area, would be appreciated.

I am looking into the possibility of distributing some of our classified publications [redacted] to the posts of individuals who participated in the Workshop. If you would like to receive such publications, please note it in your letter to me, and instruct your security officer to pass your clearances to our Office of Security. This will allow me to send you [redacted] classified material. I will notify you regarding my explorations into [redacted] dissemination.

Sincerely,
